

## IRIS Alert System Emergency Contact Information

**Child's Name:** \_\_\_\_\_

**Grade:** \_\_\_\_\_

- Phone 1 is the number you would like us to use if the situation requires immediate attention.  
This number should be one at which you can be reached any time; a cell phone is recommended.
- Phone 2 is a back up number for important calls and information. If both parents have a cell phone, we recommend filling Phone 2 in with the other number.
- Phone 3 is your household phone. Ordinary communications with your household will take place over this line.
- Email 1 is an email address that you check often. General announcements sent through IRIS will typically be accompanied by email.
- Email 2 is a second email address. If both parents have email addresses, we recommend listing the second address here.
