# Immaculate Conception School

## Principal's Message

After a year of lockdowns, sickness, sad news, deaths and many challenges we are now seeing the light at the end of the tunnel as more and more people are getting vaccinated. This coincides with the celebration of Easter which gives us greater reason to hope, to feel joy and to renew ourselves. As we enjoy nicer weather, a break from school and daily routines let us remember to pray for continued good health and good spirits and remain vigilant adhering to COVID travel guidelines and social distancing, May every member of the Immaculate Conception school community be blessed with peace, joy and prosperity this Easter season.
