Immaculate Conception School

Principal's Message

Dear Parents

It is hard to believe that we are in our last weeks of school. While this was a most challenging year for everyone it was also a year that was productive, satisfying and rewarding in many ways. Our students showed responsibility, empathy and compassion as they learned to adapt to new ways of learning. Our teachers continued to provide quality education and our parents continued to support us. So working together we made this a memorable year.

Congratulations to our eighth graders We wish them the very best of luck as they enter the high school of their choice in September. I am very proud of them and know they will represent their high school as they did Immaculate with dignity, respect and honor.

My wish for everyone this summer is to stay safe, relax and enjoy the beautiful weather. Don't forget to read every day, take an online class if possible and come back in September rejuvenated and ready for a year that will bring us all back together.

Stay safe and have a happy summer!

God Bless

Mary Barry
