# Immaculate Conception School

## Principal's Message

We are fast approaching the end of the school year and what a year! We have come through this unique year stronger, working together and succeeding. Our eighth graders are preparing for high school and a new chapter in their lives. Our students have shown adaptability, flexibility and resilience and have grown so much. I am so proud of the Immaculate Conception student body. We maintained our high academic standards this year and our students rose to the challenge displaying a work ethic, responsibility, curiosity and sense of humor we can all be proud of. I am proud to be a part of a community that has provided a foundation to empower students to reach their full potential.

## Announcements
